Aşağıdaki 20'den geriye ritmik saymaları devam ettiriniz.

A diagram showing a horizontal array of 10 square boxes. The first box contains the number 20, and the last box contains the number 11. Below this array is another array of 10 square boxes. The first box of the second array contains the number 10, and the last box contains the number 1. A thick blue arrow points from the first box of the second array (10) to the last box of the first array (11).

A diagram showing a horizontal array of 10 square boxes. The first box contains the number 20, the second box contains 11, the third box contains 10, and the tenth box contains 1. A blue arrow points from the first box (20) to the second box (11).
